22nd Pencil Code User Meeting · Alicante, 21–25 September 2026

Sunday 20 September before the meeting

If you arrive during the day, I recommend spending a few hours at **Playa de San Juan**. It is about 20 minutes from the city centre and the beach is far nicer than the ones in town.

Take the TRAM from the **Mercado** stop and get off at **Costa Blanca**, right by the sand. Line L3 stops there, and L1 also serves the area.

In the evening, for those who would like to grab a beer, we will meet from **19:00** at **El Garaje bar**, in the centre of Alicante. There is food as well if you want it, and I have checked that they have options covering the dietary requirements in the group.

Playa de San Juan.

Monday 21 September welcome drinks

At the end of the first day we will stay on for an informal glass of wine to mark the start of the meeting. Everyone is welcome.

Tuesday 22 September afternoon excursion

We will walk up to **Santa Bárbara Castle**, which stands on Mount Benacantil above the old town and looks out over the whole bay. We set off from the centre at **16:00** and go up on foot through the old quarter and the Ereta park, stopping along the way. Everyone is welcome to join.

Wear comfortable shoes and bring water. Entry is free.

The full route, with the times and a few words about each stop, is here: [Excursion.pdf](#)

Santa Bárbara Castle above the old town.

Thursday 24 September social dinner

Further information will follow soon.

Saturday 26 September a recommendation, if you are still in town

If you are still in Alicante, it is worth visiting the **Mercado Central**. Go in the morning, as it closes at 15:00.

Inside there are small bars where you can have a drink and some fresh seafood, among many other things.

The Mercado Central at dusk.

Weather what to pack

Expect around **28–30 °C**, mostly sunny and cooling down in the evenings. Bring swimwear, a swim buoy if you plan to swim after dark, and sunscreen.
