22nd Pencil Code User Meeting · Alicante, 21–25 September 2026

The venue where we meet

Sala de Juntas, first floor
Facultad de Ciencias II — **Edificio 07**
Universidad de Alicante, 03690 San Vicente del Raspeig

Search this exactly in Maps:

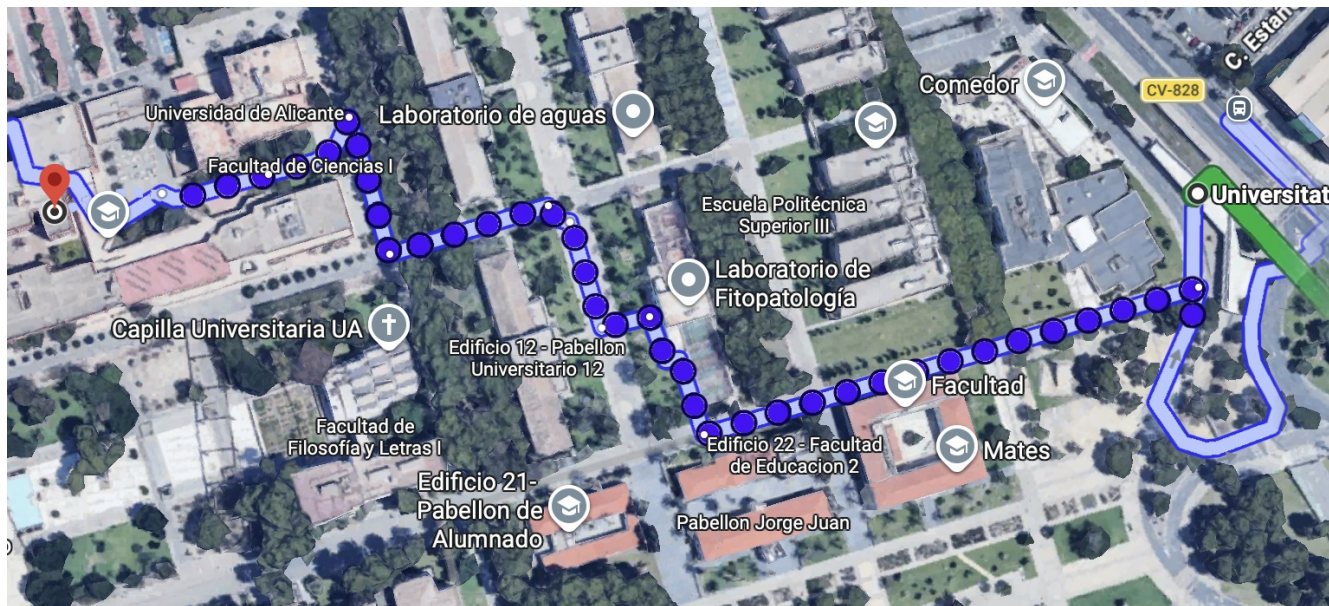

Edificio 07 - Ciencias 2, Universidad De Alicante, 03690 San Vicente del Raspeig, Alicante

The campus is large and the buildings look alike, so search for the address above rather than for the university.

From the city centre to the campus tram or bus

Take **TRAM line L2** towards San Vicente del Raspeig and get off at **Universitat**. The line runs from both **Luceros** and **Mercat**, so use whichever is nearer to where you are staying. The ride takes about 20 minutes.

Bus 24 also reaches the campus, and at the university end it stops right next to the tram stop.

From the Universitat tram and bus stop (right) to Edificio 07 (left). About 10 minutes on foot.

Follow the route on the map. It takes about 10 minutes on foot and ends at **Edificio 07**, the **Facultad de Ciencias II**.

Finding the building look for the number 07

Each building on the campus has a numbered sign outside. Ours reads **07 — Facultat de Ciències II**, and the list on it includes *Sala de juntes*, which is where we meet.

If you get lost anywhere on the campus, call or write and I will come and find you.

Sala de juntes, Edificio 07, Faculty of Science II.

Getting up to the entrance

The way to **Sala de juntes** is one floor up. There are steps on both sides of the building, and either set takes you to the entrance on the **first floor**.

The two staircases, one on each side of the building. Both lead up to the entrance.

Once you are inside first floor

1. At the top of the steps, go in through the entrance.
2. Follow the **PCUM 2026** signs to the **Sala de Juntas**:
