22nd Pencil Code User Meeting · Alicante, 21–25 September 2026

Sunday 20 September before the meeting

If you arrive during the day, I recommend spending a few hours at **Playa de San Juan**. It is about 20 minutes from the city centre and the beach is far nicer than the ones in town.

Take the TRAM from the **Mercado** stop and get off at **Costa Blanca**, right by the sand. Line L3 stops there, and L1 also serves the area.

In the evening we will go out together for a beer and something to eat. Details will follow closer to the date.

Tuesday 22 September afternoon excursion

We will visit **Santa Bárbara Castle**, which sits on Mount Benacantil above the old town and looks out over the whole bay. Everyone is welcome to join.

It can be reached on foot, about 25 minutes uphill, or by the lift from Postiguet beach.

Thursday 24 September social dinner

Further information will follow soon.

Saturday 26 September a recommendation, if you are still in town

If you are still in Alicante, it is worth visiting the **Mercado Central**. Go in the morning, as it closes at 15:00.

Inside there are small bars where you can have a drink and some fresh seafood, among many other things. It is one of the nicest buildings in the city.

Weather what to pack

Expect around **28–30 °C** and mostly sunny, cooling down in the evenings. Don't forget your swimwear if you fancy the beach, a swim buoy if you plan to swim after dark, and sunscreen.
